PURPOSE:

1. To sponsor, promote, and assist in the development of Community Education programs and services, according to state guidelines.
2. To provide a “sense of community” in support of projects
3. To advise the Director of Community Education on matters that relate to the responsive development of Community Education in the Rochester school district.
4. To assist in recognizing and recommending solutions to community concerns.
5. To maintain relations with sources of support on local, state and/or national levels.

GOALS:

1. To advise program staff on appropriate policies and to monitor policy consistency for the Community Education programs.
2. To advise the Director on budgets related to Community Education before a recommendation is made to the School Board.
3. To provide input on appropriate space rental policies and procedures for all school district buildings as developed by the Director and prior to being recommended to the Superintendent and School Board.
4. To assess and address, on an ongoing basis, the needs of the community for growth and direction of the Community Education program.
5. To make recommendations for improvements that can be made in Community Education programs.
6. To cooperate with agencies serving the community toward common goals and to identify any overlapping responsibilities and/or voids in service.
