Dear Rochester Area Community Member,

Do you want to serve our community?
Do you believe in the value of lifelong learning?
Do you want to build connections with your fellow community members?
Do you want to support innovative learning projects?

I invite you to apply to become a member of the Community Education Citizens Advisory Council, where you can help us fulfill our mission to build better futures across our community.

WHAT is the Community Education Citizens Advisory Council?

We are a group of volunteers who care about lifelong learning and are willing to provide our input regarding quality programs for children, youth and adults. Each month, we review brief grant applications for innovative learning projects and determine which ones to fund. We also serve as ambassadors for Community Education in the community, sharing the great learning resources available here.

WHEN does the Council meet?

The first Wednesday of the month (October-May) from 3:30-5:00pm, typically at Northrop Education Center, 201 8th Street Northwest. (Free parking!)

HOW do I get involved?

Just return your completed application to Melissa Garcia, Northrop Community Education Center at the address above or at megarcia@rochester.k12.mn.us, and we'll contact you to discuss your interest.

Looking forward to meeting you,

Amy Eich
