Welcome Parents,
Can you believe it is already time to start planning your winter schedule with us? Preschool Enrichment is here to help the long winter pass by with energizing classes for your preschooler. We offer classes for parents and children to participate together as well as give your preschooler some independence by coming to class alone to learn. We have classes that will spark creativity, socialization and promote healthy activity. I look forward to seeing your preschooler in our classroom. Please take the time to register early to help us plan accordingly.

Tippi Toes Dance Company cheerfully provides children a fun, positive, and nurturing environment so they are able to experience the joys of dance, self-expression, and movement. We encourage children to use their imagination while introducing ballet, tap, jazz, and hip hop techniques using dance terms and examples to enhance their knowledge of the art. Our music is carefully selected to be family friendly and age appropriate. Adults are always welcome to observe classes. T-shirts and leggings or basic leotards are preferred.
